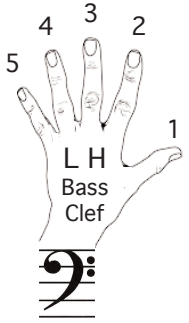
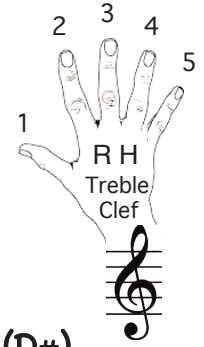
Ask a Piano Playing Friend if you need help. See Videos. For your **Practice on Paper Piano** - Cut to the left of dotted line (so dotted line doesn't show)
Position **Middle B** beside **Middle C** (Page 2 of 3). Tape together. **Play, Learn, & Memorize every white key** on the keyboard.

Music notes/keys: A B C D E F G (white keys). The **D** note (my name is **D**ee) is between each set of two black keys.
C is left of **D** & **E** is to the right of **D.** Find 3 sets of **C D E** on your 3 octave piano
(**A** & **B** come before **C.** **F** & **G** come after E) Play each **A B C D E F G**



To play **Do Re Mi Fa So La Ti Do** *(from Sound of Music with Julie Andrews)*
Begin with Middle C (C4) & play each white key (up an octave) to C (C5) **C D E F G A B C**
Use your right hand to play these keys (index finger or correct finger positions) 1 2 3 1 2 3 4 5

Using those same keys, Begin at C (C5) & play each white key down to Middle C (C4) to play the beginning of **Joy to the World** **C**-Joy **B**-to **A**-the **G**-world **F**-the **E**-Lord **D**-is **C**-come
5 4 3 2 1 3 2 1



Find **D**. Go up a **half step** (**semitone** no keys in-between), to the **right of D**, the black key is called **D sharp (D#)**
Find **E**. Go down a half step, to the **left of E**, that same black key is called **E flat (Eb)**
Learning both names of all the black keys allows you to move on to Chords!

Hints - * Bass Clef Spaces **A C E G** - **A**ll **C**ows **E**at **G**rass * * Bass Clef Lines **G B D F A** - **G**reat **B**ig **D**ogs **F**ight **A**nimals *
